MEMBER OF THE STATE ASSEMBLY, 67TH DISTRICT

TOM HARMAN

OCCUPATION: Assemblyman, 67th District

A Special Message from State Assemblyman Tom Harman:

Dear Friend,

I ran for State Assembly in 2000 because I believe our government must be more accountable to the people. Thank you for the trust and confidence you showed by electing me.

In my first term as your State Assembly Member, I have:

- 1) Strongly opposed any new tax increases;
- 2) Voted to improve public education by supporting higher academic standards and giving teachers the tools they need to do their jobs;
- 3) Authored legislation to clean up our beaches and stop the discharge of untreated sewage into the ocean;
- 4) Authored legislation to prohibit politicians from voting on matters in which they have a conflict of interest.

That is why I have been endorsed by Congressman Ed Royce, State Senator Ross Johnson, Supervisor Jim Silva, former Assemblymember Scott Baugh and numerous local elected city councilmembers and school board members.

I look forward to serving you for the next two years.

Respectfully,

Tom Harman
Assemblyman, 67th District

P.S. As always, my number one priority is to serve you. Do not hesitate to contact me at (714) 843-4966 to suggest needed legislation, to voice concerns about state issues, or for assistance with any state agency.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 21**

JOHN ADAMS

AGE: 50

OCCUPATION: Civil Attorney

In the unprecedented write-in campaign for this judicial office, I was the voter's top choice. Thanks Orange County.

I'm also law enforcement's choice. I'll be a tough, fair, no-nonsense judge who supports Law and Order, Victim's Rights, Three Strikes, and the Death Penalty. I'm honored to be endorsed by Sheriff Mike Carona and District Attorney Tony Rackauckus.

I'm an experienced attorney, graduate of Stanford Law School and Superior Court Judge Pro Tem. With maturity, skills and the judicial temperament to make sound decisions, I'll work long hours for taxpayers to see that justice is done.

I'm also endorsed by:

Congressmen Cox, Issa, Rohrabacher and Royce.
State Senators Ackerman, Johnson and Morrow.
Assembly Members Bates, Campbell, Daucher and Maddox.
Supervisors Silva, Smith, Spitzer and Wilson.
Mayors and City Council Members.

Anaheim Police Officers Association, Latino Peace Officers Association,
Orange County Professional Fire Fighters Association.
Conservative Women's Leadership Association,
COPE (AFL-CIO Unions)

I also have extensive business experience. I've founded companies, created jobs and met payrolls. I'll bring wisdom and judgment from "real world" experience in both law and business to every decision I make.

I'm a community leader, husband, father and church member. I'd be honored to receive your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 21**

GAY SANDOVAL

AGE: 50

OCCUPATION: Former Deputy District Attorney

As a Deputy District Attorney for 10 years, I held the hands of molested children and walked them to the witness stand. I assured them that the judge and I would protect them as they testified about how they were victimized. I prosecuted felonies and misdemeanors, child molesters and abusers, and put criminals behind bars.

I started the write-in campaign for Office No. 21, so that there would be no automatic re-election without a name even appearing on the primary ballot.

I have 12 years experience as a lawyer who represents small business owners and as a Judge Pro-Tem. After 22 years as a trial lawyer, I know the courts and the law.

I teach Drug and Alcohol Awareness at Orange Coast College. I was a PTA President, coach, newspaper columnist and raised Guide Dogs. Joe and I have been married 29 years. I grew up in Orange County and we have raised our children here. Maggie attends Stanford and Celinda graduates from high school soon.

The Association of Orange County Deputy District Attorneys, police associations, police chiefs, and judges support me. For endorsements and more about my background, go to www.SandovalforJudge.com.

Vote for Gay Sandoval for your family's sake.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 22**

KELLY ANN MACEACHERN

OCCUPATION: Deputy District Attorney, Orange County

Tough - Fair - Supported by Law Enforcement.

For 21 years I've protected our community as a Deputy District Attorney. I've prosecuted hundreds of serious felonies including rape, child molestation, family violence, drugs and gang terrorism. I'm proud of taking violent criminals off the streets, sending them to prison, and being named the association of Orange County Deputy District Attorneys "Outstanding Prosecutor" panel.

Crime victims, police chiefs, cops on the street, elected officials, news media, Republicans and Democrats are behind my candidacy.

Over 75 superior court judges and commissioners urge you to vote for me because they know I'll be a tough, fair, ethical, no-nonsense judge.

My endorsements include:

Former Governor George Deukmejian
District Attorney Tony Rackauckas
Sheriff Lee Baca
The Los Angeles Times
Congresswoman Loretta Sanchez
Congressmen Ed Royce, Dana Rohrabacher
Senators Joe Dunn, Ross Johnson, Dick Ackerman, Bill Morrow, John Lewis (ret.)
Assemblymembers Patricia Bates, Lynn Daucher, Ken Maddox, Tom Harman, John Campbell
Shawn Steel, Chair, California Republican Party
Frank Barbaro, Chair, Orange County Democratic Party
Supervisors Todd Spitzer, Tom Wilson, Cynthia Coad, and Chris Norby
Central Labor Council (AFL-CIO Labor Unions)
Santa Ana Police Chief Paul Walters
Costa Mesa Police Chief Dave Snowden
Irvine Police Chief Charles Brobeck (ret.)
California Organization of Police and Sheriffs (COPS)
Cypress Police Officers Association
Latino Peace Officers Association
Citizens for Law and Order
Citizens against Violent Crime

The 6,000 member Orange County Bar Association, which evaluates judicial candidates, publicly recognized my qualifications to serve as a Superior Court Judge. The Los Angeles Times endorses me and states She would be fair and impartial. We strongly support her election.

My positions are straightforward: Three Strikes for serious and violent criminals; enforcement of the death penalty, long prison sentences for rapists and child molesters, treatment for drug users but prison for drug dealers, protect Victims' Rights, and give the taxpayers a full day's work every single day.

I grew up in Southern California and graduated from UCLA. I've been married 23 years and live with my husband and children in Orange County where I volunteer with my church, AYSO, Lions Club, PTA and Little League. I'm a Board Member of the National Council on Alcoholism and Drug Dependency, and strongly support community alcohol/drug treatment programs.

The safety of our neighborhoods and schools is my highest priority. Please allow me to continue serving you by electing me as your Superior Court judge.

Thank you.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 22**

VICKIE ANN BRIDGMAN

AGE: 47

OCCUPATION: Deputy District Attorney

Dear Voter,

I came in first in the March primary with 46.6% of the vote because the people of Orange County know that I will be a fair judge, committed to upholding the law and protecting our communities. Judge Donald MacIntyre, a great jurist and combat decorated Vietnam Veteran, endorsed me to fill this judgeship upon his retirement for these reasons.

As a Deputy District Attorney I have earned the support of law enforcement and community leaders, such as our nationally respected Sheriff Mike Carona; Chris Kralick, President of the Orange County Attorneys Association, and Vice President of the California Prosecutors Association; Pete Pierce and Carol Henson, leaders in the Association of Orange County Deputy District Attorneys; and numerous police, firefighters, judges, and elected officials.

I have been through the court system twice as a victim. As a child, I experienced the horror of being molested. As a mother, my heart was broken when a careless driver killed my precious son. I am a leader in the Compassionate Friends, an organization that assists families that have lost children. Victims' rights crusader and "Three Strikes" author, Mike Reynolds, former State Senator, Marian Bergeson, author of the "One Strike" law for violent sexual offenders, and Crime Victims United of California endorse me because I strongly support and understand victims' rights issues. I support the death penalty.

My community activities include serving as President of two Bar Associations, Mothers Against Drunk Driving, the March of Dimes, the Society to Prevent Blindness, and President of Drive S.A.F.E., a non-profit organization that sponsors safe driving assemblies in high schools. My work with the Automobile Club of Southern California helped enact the graduated drivers license program resulting in a 40% drop in deaths and injuries among teenagers from car crashes in California.

My working class parents instilled in me a strong work ethic, American values and good citizenship. I worked to put myself through Cal State Fullerton. I attended law school on a scholarship, graduating as Valedictorian and first in a class of over 300.

I have a strong record of protecting our neighborhoods. My prosecutions include gang members, drug peddlers, rapists and robbers. I am currently among a select few deputies assigned to prosecute white-collar crime cases.

I have worked, worshipped and raised my family in Orange County. I will be a hardworking, ethical and commonsense judge. I respectfully request your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 27**

GLENDA SANDERS

OCCUPATION: Trial Attorney/Law Professor

Why should you vote for me?

Not just because Sheriff Mike Carona, District Attorney Tony Rackauckas, and the Orange County Professional Firefighters endorse me.

Not just because the Orange County Bar Association has given me its top rating of "Highly Qualified."

Not just because Judge Robert Monarch has retired from this Office No. 27 and has endorsed me as his successor, or because dozens of other judges, including Assistant Presiding Judge David McEachen, Judge Nho Trong Nguyen, and Judge Stuart Waldrip (Ret.), are united behind my candidacy.

Not just because the L.A. Times concluded in March that "... Sanders is the most impressive candidate seeking a seat on the Superior Court Bench in Orange County this election and should be an outstanding judge."

Not just because you have already supported me with the highest number of votes in the March primary.

Not just because I have both criminal and civil experience, having practiced as a trial attorney, a Special Assistant Deputy District Attorney in Orange County, and as a partner in the Orange County office of Latham & Watkins, a nationally recognized law firm. During my 20 year legal career, my cases have included capital homicides, kidnappings, gang-related cases, family law disputes and complex civil disputes.

Or because I am involved in our community, having served on the boards of charities like Human Options, which helps those affected by domestic violence, and Girls' Inc., which promotes healthy after-school activities among teenage girls.

Or because I have taught law at Chapman University Law School, where President Jim Doti and Law School Dean, Parham Williams, endorse my candidacy.

Ultimately I believe I deserve your vote because, as a committed member of this community and the mother of two children, the proper enforcement of our laws and the safety of our neighborhoods are paramount concerns for me. I support the Three Strikes Law and the death penalty in appropriate cases. I have spent hundreds of hours providing free legal advice to victims of fraud, and I fully support Victims' Rights.

In addition to those above, my endorsements include:

United States Representatives Christopher Cox, Loretta Sanchez and Ed Royce; State Senators Dick Ackerman, Lou Correa, Joe Dunn, and Ross Johnson; Assemblymembers Pat Bates, Bill Campbell, John Campbell and Ken Maddox.

With your vote I will work diligently to support law and order for you and your family.

PUBLIC ADMINISTRATOR

JOHN S. WILLIAMS

AGE: 51

OCCUPATION: Law Enforcement, Administrator, Trustee, South O.C. Comm. College District/Businessman

I believe the Public Administrator's office must fight to enact stronger safeguards protecting the public, especially Senior citizens.

The Public Administrator should be an advocate for all persons in Probate.

Traditionally, the Public Administrator and Public Guardian have been one person. This combination can help prevent in Orange County the abuses occurring in Riverside County where a conservator, her attorney and the judge hearing the cases stole millions from defenseless Senior Citizens under their care.

If elected Public Administrator, I'll support the 2001 Orange County Grand Jury recommendations for criminal background checks on all potential conservators.

I'm the only candidate for Public Administrator endorsed by Sheriff Mike Carona and the Peace Officers Research Association of California (PORAC).

I'm a 20+ year career police officer/law enforcement administrator – administered safety/security – Santa Ana Courthouse.

My concern is for public risk when anyone, without qualifications, training, accountability can be appointed court conservator gaining control over private bank accounts/property/assets of the elderly, infirm, disabled.

In addition to my law career, I'm a 3-term community college trustee/board president, elected by voters (1992, 1996, 2000) to oversee 2 college campuses, 2,000 employees, 35,000 students, \$150 million budget.

As a college trustee, I've served on the Orange County Legislative Task Force and California Commission on Legislation and Finance.

I earned a Master's Degree in Public Administration – Pepperdine University.

Endorsements include Police/Fire Associations from; Anaheim, Brea, Costa Mesa, Cypress, Fullerton, Garden Grove, Huntington Beach, Irvine, Laguna Beach, Newport Beach Police, Fire, Marine Safety, Orange, Placentia, Santa Ana, Seal Beach, University Police, Westminster, Orange County Fire Authority, Probation, Sheriff Special Officers.

Additionally, elected/community leaders support me, including; United States Congressmen Ed Royce, Dana Rohrabacher, Senators Bill Morrow, Dick Ackerman, Ross Johnson, Assembly members; Patricia Bates, Bill Campbell, John Campbell; Orange County Supervisors Chris Norby and Jim Silva; Coast Community College Board President Armando Ruiz, USC Football Legend Anthony Davis, California Women's Leadership Association, Seniors and Veterans for Education.

I live in Mission Viejo with my wife of 31 years, a teacher, two children. We attend Saddleback Church. I grew up in a family of 7 children and over 200 foster children.

I have the experience and qualifications listed above to reform our Public Administrator's office, support Grand Jury recommendations and fight for tough legislation. With the support of Senator Bill Morrow, I will protect citizens' rights and assets.

As the Assistant Public Administrator, I have the career experience and knowledge to serve as Public Administrator.

My qualifications include the knowledge and experience of three years as Assistant Public Administrator, a Bachelors degree from California State University, Sacramento, and a Masters degree in Public Administration from University of Southern California.

My responsibilities include managing a professional staff that protect the property of those who die in Orange County with no family or will. We also locate relatives, arrange burials, pay bills, and perform other services consistent with the wishes of the dead.

I am committed to prudent management of your tax dollars, complete and accurate record keeping, protection of privacy and confidential data for the individuals and families served, and the highest level of honesty and integrity.

My endorsements include the current Public Administrator, the Association of Orange County Deputy Sheriffs, many City Council members, three Orange County Supervisors, and the Orange County Auditor.

OCCUPATION: Incumbent

As a NOCCCD Board member for six years and a community college educator for almost 30 years, I am committed to the success of California's community colleges.

A married resident of Buena Park for 24 years, my daughter attended public schools and community college. I have served the District as Board President, Vice-President, and Secretary. In addition, I am on the Cypress College Foundation Board, have been District representative to the Orange County Legislative Task Force and served as signatory on the recent successful bond drive.

During my term as Board member, the District has maintained fiscal stability, increased services to Anaheim residents by establishing a new Anaheim campus, and created a Teacher Preparation Program with CSU, Long Beach to address California's growing teacher shortage.

A recent study predicts that computers, globalization and community colleges will be the major factors shaping shared prosperity for Californians. We must continue providing quality retraining for workers, increase our transfer rate and maintain excellence while continuing to be fiscally responsible.

Community colleges are my professional life. My ongoing goal as a Board member is to provide continuing visionary leadership to our District and community.

OCCUPATION: Independent Businessman

As a parent I believe it is important to be involved in education. As a businessman I understand the importance of education in preparing people to compete for jobs in the global economy. As a conservative and a taxpayer I am against wasteful government spending and am determined to deliver the maximum amount of our tax dollars to the classroom.

I will ensure that our community colleges fulfill their primary mission: sending students onto four year universities, training for technical vocations, and providing continuing education so our citizens remain competitive in the workplace. I will use my nineteen years experience as a successful businessman to allocate our resources effectively so our students will receive the best education possible.

My career includes:

National and state awards for commitment to Child Nutrition;

AGE: 48

OCCUPATION: O.C. Business Owner, Parent, Board Member
AUHSD, Trustee for N.O.C.R.O.P.

As a member of your Governing Board I have worked hard to achieve our goals of improving school facilities, setting higher academic standards, maintaining our “zero tolerance” policy towards drugs and gang violence and expanding our arts programs.

I voted in favor of measures to expand and improve schools including upgraded technological equipment so students will be better prepared for the workforce. I also voted for a resolution to establish higher reading standards for middle school entrance; unwaveringly enforced our zero tolerance and campus safety policies and formed partnerships with community arts programs to give our students the opportunity to display their talents in professional settings.

I am currently working on enhancing and expanding student sports programs and offering more extracurricular activities. I believe that parental involvement is the key to student success and am committed to finding new ways to involve parents. As your representative, I will continue to support our teachers and staff; ensure student safety; be available to discuss your questions and concerns while making every effort possible to assure Anaheim is the best district in Orange County.

In order to continue to serve you I respectfully ask you for your vote.

As a school board member, I helped our children succeed and learn. I managed a multi-million dollar budget, and made sure the money was spent on students, not wasted on bureaucracy.

I have been active in many community activities, including:

PTA President

As a parent, I am dedicated to improving our community for all students. As your Trustee, I will address your concerns and support:

High Academic Standards: reading, writing, and arithmetic
Local Control: return power to parents, not bureaucrats
Accountability: academic and fiscal accountability for students, teachers, and administrators

I will work to improve the academic curriculum of our schools, make sure our children have a safe school environment, and the very best after school programs.

Because of my accomplishments in education, I am endorsed by elected officials, parents, and community members; and earned the following awards:

AMIN DAVID

OCCUPATION: Business Owner

School Board Members have one job: to provide safe schools and quality education for our children. I am determined to make this happen.

Here's how:

First, keep our schools safe and hold Harald Martin accountable. He wants reelection as the “Police Officer” Trustee, while drug/alcohol crime rate increased each of the last four years.

According to California Safe Schools Assessment 2000-2001, weapons possession has been up every year since 1999.

Second, raise test score performance: According to the California Department of Education, our grades 7-11 students score below county averages in both Math and Reading.

Third, keep students in school. Dropout rates for every grade in the district are unacceptably high.

Fourth, end political favoritism. It is wrong for friends to appoint friends to elective offices. Three of the current five board members were selected, not elected.

A war veteran married to a teacher, I have lived in Anaheim 32 years, built a successful business, mentored students and served innumerable commissions and boards.

Another step for better schools: I back Proposition 47.

My track record of listening to those who care about children and families? This is my 25th year holding informal weekly conversations to do just that.

OCCUPATION: Incumbent/Electrician

As an appointed Trustee of the School Board of AUHSD, I bring high expectations for high achievements and long lasting positive academic growth for our students.

I support:

Excellence in education by setting high expectations and a strong curriculum.

Improving student progress through planning, organizing, collaboration of staff, students, parents and community.

Preparing students for colleges, universities, trade and vocational schools and careers.

Accomplishments:

General Obligation Bond Election Team, Measure Z.
AUHSD Instructional Materials Review Committee, and Athletic Council
Oxford Academy Foundation, School Site Council, PTSA Second Vice President.

As a past General Foreman/Electrician, I have overseen multi-million dollar budgets, as an USAF Vietnam Veteran, and as an actively involved parent of two high school students in AUHSD and married to an educator of 20 years, I want to help all students to succeed.

I believe in helping students learn to succeed in education, helping support programs to prepare students for future success, safe campuses, expand existing programs for all students, and encouraging parents to get involved with their students. We need compassion and understanding for our students to learn to become respectful citizens through a culture of caring.

FRANK G. COZZA JR.

OCCUPATION: Restaurant Owner

My primary motivation for running for A.U.H.S Board is to insure that all children are afforded the best education possible. I share in the community's concern for our children's welfare and want to actively participate in the process of building a safe and productive environment for them.

In order to achieve the highest quality of education, we must retain enthusiastic and well educated teachers. In harmony with this, we must also be willing to educate the families so that the lines of communication are in constant balance.

As a school district, we must hold ourselves accountable to impartial evaluation. Test scores must improve with each testing. As a school board, we must take complete and unwavering responsibility for improvement of the scores.

I favor the acceleration of after school programs of all sorts. Our primary goal is to build well rounded citizens, free to pursue healthy and challenging interests. Through public and private partnerships these programs can become available for all our children.

Finally, we must prepare for the eminent swell in enrollment that our schools are currently experiencing. Our capacity is already exhausted and it is of the utmost necessity that decisions be made on this issue now.

ANTHONY MARMADUKE "TONY" CLARK

AGE: 52

OCCUPATION: Businessman

My name is Tony Clark. I am qualified and ready to serve as a member of the governing board for the AUHSD.

I have been very much a part of our community since 1950.

I attended and graduated from Anaheim High (1969) and California State Fullerton (BA 1974).

I have actively participated in many community, civic, and service organizations for 30 years.

I am a fiscal conservative. While I believe that our goal should be better schools I reject the notion that higher taxes and a "world class facility" will necessarily produce a class of high achievers.

In the last election, I authored the ballot argument in opposition to Proposition Z (school bonds). The proponents of Z, aka "\$132 million dollar tax", convinced many that millions were needed, fearing our schools would become like those in a "third world country", a terribly distorted view. I believe that voters have been misled by those who would rather tax and spend.

Experience tells me that less should be spent on administration and more resources allocated toward the classroom and its teacher.

I favor higher test scores and a reduction in spending while providing a safe learning environment.

CURT PRINGLE

AGE: 43

OCCUPATION: Local Businessman/Educator

My family has a lifelong commitment to Anaheim. We operated our business here for twenty-five years. My wife has lived here nearly her whole life, and we have chosen to raise our children here. But like many of our neighbors, we're concerned about Anaheim's future.

After a decade of decline, crime is on the rise. I will ensure our police have the resources they need to protect our families and our children in schools.

While the resort area has received much focus, neighborhoods have been neglected. I support park expansion, neighborhood beautification programs, and timely street repair.

We must manage our city finances better. I will put my experience to work for Anaheim; making sure we get our fair share from the state.

When I served in the State Legislature, I always fought for what was best for Anaheim. I negotiated and passed one of the largest tax cuts in California history, class size reduction, and tough laws for cracking down on criminals.

Please join the National Tax Limitation Committee, the California Organization of Police and Sheriffs, Anaheim Councilman Tom Tait, and hundreds of Anaheim residents in supporting me for Mayor.

I ask for your vote.

OCCUPATION: Anaheim Councilwoman/Businesswoman

I'm running for Mayor because I want Anaheim to become America's Most Dynamic City - safe, beautiful, vibrant, productive.

As your next Mayor, I will:

Never allow energy pirates like Enron to purchase Anaheim's public utilities.

Reduce crime by hiring more police, strengthening community policing and keeping the INS officer at City Jail.

Create responsible growth that provides jobs and housing for every segment of our community, while protecting neighborhoods.

Find long-term solutions for local/regional traffic and transportation issues.

Reduce governmental red tape, making Anaheim operate more efficiently.

Never privatize Anaheim's golf courses.

I'm proud of my record as your Councilwoman:

I led the successful effort repealing a 2.85% utility tax, saving ratepayers \$7,000,000/year.

Voted against allowing private companies to take over our electric utility.

Never voted for tax increases.

Voted for neighborhood beautification and revitalization.

Worked to preserve open space in Anaheim Hills.

Fought for improvements in streets, sidewalks, sewers, parks, libraries, police/fire resources.

Anaheim Firefighters' and Police Officers' PACs endorse me for Mayor because they believe I am the leader to make Anaheim the kind of city we all deserve.

Public service is a privilege. It would be my honor to serve you as Mayor.

Dear Neighbor,

In the 31 years we've made our home in Anaheim, I have worked to make our community stronger. While working as a career police officer and later, police chief, my nights and weekends were spent volunteering with the West Anaheim Little League and other community organizations. My focus on neighborhoods led me to serve on the Parks and Recreation Commission and the Community Services Board. I was elected four times to the Magnolia School Board to strengthen schools and our community.

My interest in improving our neighborhoods now leads me to run for Mayor. I am proud to be endorsed by our current mayor, Tom Daly.

Certainly, fighting crime will be my top priority, having spent my professional life in law enforcement. I will work to bring our Police Department and our community together.

I am not a professional politician, looking for a springboard to higher office; I am focused on Anaheim and its neighborhoods. As mayor, I will listen to residents and be accountable for making sure you receive efficient city services. I will work to make Anaheim a model city focused on kids, families, neighborhoods and a sense of community.

I would appreciate your vote.

Whether as a reserve police officer, Anaheim businessman, neighborhood advocate or Councilmember, I've worked daily to improve our quality of life, serving thousands of constituents and getting results. I:

Led the fight to reduce your taxes, eliminating the city utility tax;

Reduced unsightly potholes, graffiti and blight;

Increased community beat officers in neighborhoods;

Established new parks for youth.

OCCUPATION: Small Business Owner

As a small business owner and community leader in the City of Anaheim, it is clear to me that it's time for a change in the business-as-usual attitude at City Hall. Schools, graffiti, traffic congestion, a lack of parks and community centers are some of the tough challenges facing Anaheim. Families deserve an advocate that will fight to preserve the quality of life in our neighborhoods and represent average citizens.

A visionary City Council is needed to over see reasonable and responsible planning and development in Anaheim. New developments must pay for their city services. They must not create new problems such as traffic and over crowding in our schools. Redevelopment projects must enhance existing areas.

Anaheim has inadequate parks, recreational facilities, and community centers. We must aggressively seek new sites for such facilities.

The City Council must aggressively seek partnership opportunities with all of the City's School Districts. We need representation on the Council that will develop strong relations between City Government and schools to solve the crisis facing our local schools.

COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE A

The proposed ordinance would repeal the existing Orange County Campaign Reform Ordinance, and reenact it with certain changes. The significant changes are indicated in *italic type* below.

The proposed ordinance would prohibit campaign contributions for County office in excess of \$1,000 for each of the following elections: primary, general, special, or recall. The same limits would be imposed on contributions to persons or committees that make specified independent expenditures in County elections.

In applying the \$1,000 limit, the following contributions would be added together: a sponsored committee and its sponsor; a corporation and an individual who owns a specified controlling interest in the corporation; a partnership and an individual who owns a specified interest in the partnership; entities that share a majority of directors, or multiple officers, or are owned by the same majority shareholder(s), or are parent and subsidiary; *a business entity and an individual connected with that entity who participates in a decision by the entity to make a contribution*; and in most cases, contributions of minors and their parents or guardians. *Contributions of spouses would not be added together. A husband and wife could each contribute \$1,000. A campaign contributor would be required to disclose to the candidate or committee any other contributions made under a different name that are required to be aggregated with the current contribution.*

A County candidate or officeholder could have only one campaign committee and one campaign bank account from which expenditures can be made. There could be no interlocking committees.

Different candidates could not transfer funds between themselves and their committees. *However, a single candidate could transfer funds between his or her own accounts, subject to the contribution limit of \$1,000 per person per election.*

Late independent expenditures would have to be reported to all County candidates running for the office to which the independent expenditure relates. Candidates would be required to file a post-election Campaign Statement within 15 days of an election, and to file required amendments to Campaign Statements by a specified deadline.

The proposed ordinance would prohibit solicitation or receipt of contributions by county officials and employees from persons who have proceedings before those officials or employees. *It would require the Registrar of Voters to provide County candidates and officeholders with a copy of the Campaign Reform Ordinance.*

Violations of the ordinance would be subject to misdemeanor prosecution and civil actions for specified penalties and injunctive relief. *In addition, the Board of Supervisors could establish an administrative procedure for the resolution of alleged violations and the collection of specified penalties.*

The ordinance could be repealed or amended only by a majority vote of the County electorate, except that the Board of Supervisors could impose additional requirements. *The Board of Supervisors would no longer have the power to adjust the contribution limitations for changes in the consumer price index.*

The above statement is an impartial analysis of Measure A. If you desire a copy of the Measure, please call the Registrar of Voters office at (714) 567-7600 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE A

Measure A is a revision to the County's Campaign Reform Ordinance, also known as the TIN CUP ordinance initially enacted in 1978.

Measure A WILL NOT change the current contribution limit of \$1000 per person per election. It will, however, prohibit the Board of Supervisors from increasing the contribution limit in the future without voter approval.

TIN CUP is the most successful local campaign contribution ordinance in the State of California. The law works so well, you never hear any complaint about it. However, experience and recent court decisions have made it necessary to make revisions in order to improve its effectiveness and enforceability. The areas of improvement consist of preventing evasion of the contribution limit by State Mailer Organizations and other entities making independent expenditures.

The reporting requirements are also being increased. For the first time, candidates running in an election will be required to file a timely post-election campaign statement disclosing campaign contributions and expenditures made just before and just after election day.

Voters throughout the county and the state have consistently supported contribution limits. Runaway election costs have been deterred by limiting contributions from individuals, businesses, political action committees, and other third parties. The limit has been particularly beneficial to those entities seeking contracts, permits and project approvals with the County because they are no longer subject to requests for **unlimited** campaign donations. It has also caused candidates running for County office to broaden their financial base by seeking more, but smaller, contributions from their constituents, which gives the general public a bigger voice in the election of county officials.

Measure A is the best means we have to minimize the influence of large campaign contributions on decisions made by our elected officials.

We urge every voter to vote YES on Measure A.

**COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE B**

This measure asks the voters to advise the County Board of Supervisors whether the Board should demand from the Department of the Navy as the present owner of the real property formerly operated as Marine Corps Air Station (MCAS), El Toro, that, prior to transfer of ownership or sale of the former Marine Corps Air Station at El Toro, the Department of the Navy:

1. Provide a complete and thorough study of the toxic contamination found or expected to be found at MCAS El Toro that addresses the inconsistent findings of the prior studies provided by the Department of the Navy, the County's GeoSyntec report, and the referenced City of Irvine study;
2. Provide funding to pay for remediation costs necessary for MCAS El Toro's intended use, including identification of funds to complete removal of all toxic contamination;
3. Identify funds to reimburse the community for any direct or consequential damages or costs the community incurs as a result of contamination; and
4. Complete the actual clean up and remediation of MCAS El Toro prior to its transfer or sale.

As an advisory measure, this measure would have no legal force or mandatory effect. If approved by the voters, the measure would advise the Board of Supervisors that the voters desire that the Board make the demands noted above. It would not require the Board of Supervisors to make the demands, or the Department of the Navy to comply with the demands, if made.

A yes vote indicates that the voter desires that the Board of Supervisors make the specified demands.

**FISCAL IMPACT STATEMENT
MEASURE B**

Fiscal Impact Statement Pursuant to Section 9160 of the Elections Code Regarding the Advisory Measure Concerning Clean Up of Toxic Contamination/Carcinogenic Pollutants and Public Health and Safety at MCAS, El Toro

Because this measure is advisory, it is not binding on the Board of Supervisors to make the demands it provides, nor does it require the Department of the Navy to comply with those demands, if made. Accordingly, there is no direct fiscal effect to the general fund of the County of Orange. However, if the demands were made and the Navy complied, the stream of property tax revenues that may occur due to development would be less subject to risk. Realization of these revenues could be postponed due to delays in the development resulting from the discovery of previously unknown contaminants. Neither the value of these potential tax revenues nor the likelihood of uncovering additional contaminants can be reasonably estimated at this time.

ARGUMENT IN FAVOR OF MEASURE B

Please support the Orange County referendum to encourage the Navy to not sell any of the closed and contaminated MCAS, El Toro until it clean of toxic waste and meanwhile create a self-supporting, self-cleaning, private-sector-economy stimulating, "Bren National Park" that included:

(1) a broad wildlife habitat corridor for the California mountain lion and its food chain... joining:

- (a) Chino Hills State Park,
- (b) Prado Dam Flood Basin,
- (c) Cleveland National Forest,
- (d) Don Bren 53,000 acre "nature preserves", and
- (e) Crystal Cove State Park

(2) a lease-paying, five-star luxury California Mission style destination-resort/lodge concession,

(3) a lease-paying university concession, e.g. managed by Fullerton Junior College,

(4) a lease-paying reasonable-international-nonintrusive-"V" configuration-airport (<http://www.ocxeltoro.com>) concession, e.g. managed by Los Angeles World Airports (LAWA) with its international airline treaties,

(5) subsidized low-cost housing and office-space/facilities for:

- (a) park rangers,
- (b) fire fighters,
- (c) university professors & staff
- (c) lodge and airport workers,
- (d) INS and Customs officers,
- (e) federal security inspectors,
- (f) air-cargo sorters/students,
- (g) US Postal Service workers,
- (h) low-paid airport/airline workers and
- (h) the Nature Conservancy managers of the 53,000 acre "Nature Preserve" created by Don Bren in combination with the Cleveland National Forest.

Lease payments from concessions can be split appropriately between the on-going federal Superfund clean-up and water-quality costs; low cost housing subsidies; MCAS, Tustin-Hanger, veteran-museum costs; and the Orange County General Fund for wild-fire protection and local community parks.
